

Code Blue has **customized** thousands of our products to fit the unique and varied needs of our customers, who are looking for security devices that are not only effective and efficient, but suitable for their surroundings. Whether it's the paint, graphics, configuration or more, we are happy to work with you to create the right solution.

No one offers as many options and features as Code Blue. Whatever your need, we will work to ensure you receive a security solution that is perfect for your location. Contact Customer Service at customerservice@codeblue.com or **800-205-7186** to learn more.

Want to add a distinctive touch to your Help Point® or integrate it with another security device?

We can do that.

Past customizations have included:

Note: Specifications subject to change without notice or obligation on the part of Code Blue Corporation.
