

Product Description

The **CB 4-s** is our most popular wall-mounted call box and is highlighted by our durable carbon steel construction and hands-free emergency speakerphone that provides direct communication with first responders. Available with a remote mount LED beacon/strobe or Audio Paging System, it can extend security efforts to dorm and building entrances, hallways and transit centers.

Standard Features

- ✓ Durable 0.078-inch steel construction
- ✓ Wall Mounting Hardware Included
- ✓ Small footprint enclosure
