**Product Description**

The CB 4-u is a rugged emergency call box highlighted by our advanced NightCharge® power option, which allows you to pull power from a switched light grid and operate 24 hours per day – even when the grid is off. A hands-free emergency speakerphone provides direct communication with first responders and extends security efforts to dorm and building entrances, hallways and transit centers.

**Standard Features**

- Durable 0.125-inch steel construction
- ADA compliant

**Popular Applications**

- Open Spaces
- Entry Points
- Infrastructure

**Popular Upgrades**

- Remote Public Address
- Remote Beacon/Strobe
