

Product Description

The **CB 5-p** is a parking structure-height pedestal Help Point® highlighted by a high intensity LED beacon/strobe light that provides exceptional visibility and acts as a deterrent to potential crime. This blue light emergency tower provides direct communication with first responders and can extend security efforts to parking lots & garages, open campus areas, and more.

Standard Features

- ✓ Durable quarter-inch steel construction
- ✓ Trademarked cylindrical design
- ✓ Parking structure compatible height
- ✓ 8.625" diameter
- ✓ LED faceplate light
- ✓ Strobe guard
