

Product Description

The **IP1500/IP1501** is a full duplex VoIP speakerphone that provides a reliable and direct communication with first responders. Available in either flush and surface mounts, its compact size and SIP capabilities make it ideal for a wide range of indoor and outdoor locations, like hallways, stairwells, classrooms, subway cars, parking garages, elevators and door entries.

Standard Features

- ✓ Full duplex
- ✓ PoE power
- ✓ Self-monitoring
- ✓ Proprietary screws for vandal resistance
- ✓ Piezoelectric buttons that won't stick or jam
