

Product Description

Centry® is Code Blue's smallest Help Point®. Highlighted by a powerful station beacon light and emergency phone capabilities, the multifaceted device provides a reliable hands-free link to first responders. IP video capabilities for indoor environments allow you to bring the safety & security of the blue light inside. Centry® provides a litany of features previously unavailable in emergency or assistance phones, making it an excellent choice for building entrances, hallways and more.

Standard Features

- ✓ Fixed IP color camera for indoor applications
- ✓ Available in Flush-mount or Surface-mount
- ✓ Ring-lit piezoelectric buttons that won't stick or jam
- ✓ Full duplex communication
- ✓ PoE power
- ✓ Vandal-resistant screws
