IMPORTANT NOTE: Due to shipping regulations, touch up paint products are only able to be shipped via ground services. Expedited 1 or 2-day air shipments are not available for touch up paint.

IMPORTANT NOTE: If you are using touch up paint to cover bare metal such as carbon steel or stainless steel, it is recommended to first apply a layer of automotive-grade primer prior to applying touch-up paint.

Note: Specifications subject to change without notice or obligation on the part of Code Blue Corporation.
